

## THE WOODLANDS COLLEGE PARK BAND HIGH SCHOOL MARCHING BAND

Greetings from the College Park Cavalier Band and Booster Club!

We are proud to announce the College Park Cavalier Marching Band and Color Guard had an amazing 2023 marching and concert season! After a successful competition at UIL Area F, our band advanced to the UIL 6A State Marching competition and finished 32<sup>nd</sup>, placing College Park in the top 13 percent of the 250 6A marching bands in Texas! Our Wind Ensemble placed 5<sup>th</sup> in the 2022 TMEA 6A Honor Band process and was named a National Winner in the 2022 Mark of Excellence / National Wind Band Honors project. In addition to competing in marching competitions and performing in concerts, we love performing at every football game in support of our College Park Varsity Football team. All of this would not have been possible without the help of our generous sponsors.

There is no better time to become a sponsor of our program. We are seeking partners in the community to reach our fundraising goals and would love to have your support. Your generosity would be greatly appreciated and would be highlighted in front of our loyal following of parents, students, alumni, staff, and members of the community who watch us perform throughout the year. Your sponsorship will help contribute to the continued education and success of over 270 students in our program.

This year is sure to be full of great achievements, as we prepare for our next marching season and competitions. Even more important than awards, is the value the band program brings to student performers and the community. Our mission is to develop student self-confidence, leadership, social maturity, and practical life skills through musical excellence. Our students, parents, directors, band staff, and band boosters dedicate tremendous time and effort to our program to achieve this mission.

Beyond this commitment, band programs require robust financial support from band parents and the community to succeed. The College Park Cavalier Band Booster Club, a 501(c)(3) organization, funds the following throughout the year: competition transportation, marching show development, music fees, support for outside clinicians, updated instruments and maintenance, show props, competition fees, and video and audio recordings.

A significant portion of our funding is derived from gracious donors and supporters, namely band families and friends, community leaders, and corporate sponsors like you. We appreciate you being a part of our College Park Cavalier Band program and look forward to your support and another fantastic, fun-filled, and successful year! If you have any questions, please contact Jennifer Horn, Corporate Sponsorship Chair at [corporatesponsorship@cpcb.org](mailto:corporatesponsorship@cpcb.org). GO CP BAND!

Sincerely,

Jeffrey Goring  
Director of Bands  
College Park High School

Suzanne Ross  
Band Booster President  
College Park Cavalier Band Booster Club
