BOARD POSITIONS

There are still a handful of key board positions that MUST be filled for the 2021 year. College Park Band is pretty special. In this socially distanced world, it is imperative that we continue to build upon our strong band family ties and work together to support the program. We have parents of freshmen to seniors from all sections on the board. We have a mix of full-time employees to stay at home parents who volunteer their time on the board. Some roles are more time consuming than others - there really is something for everyone! Here are just a few comments, from both current and past board members, describing their experiences. Don't miss out on the opportunity of a lifetime!;

"After 6 years of kids in the band and 4 years involved with the Boosters, all I can say is I wish I had started earlier and gotten involved the first 2 years. Becca's suggestion that the high school years are short is absolutely on-point. The time flies and then.....it's over. Get involved and cherish the last few years with your kids. They'll never admit it but the kids love to see their parents building a prop, giving out water, or pushing a marimba onto the field".

"I was a band kid in high school and my dad was Super involved. He went to every game as a chaperone. Volunteered for everything. And those are the most CHERISHED memories I have from high school!! All too soon they leave us. Enjoy these times together. It takes a village, literally, to run this program. Come be a part of something special".

"Our years on the Board were so special. We made some lifelong friends, helped out with a fantastic organization, and the kids loved that we were involved in their activities".

UPCOMING MEETING

Come join us Thursday November 12th for our monthly booster club meeting! 7pm via Zoom (log in details to follow). This is an important meeting of the year, where we will be voting on the new Board for Jan-Dec 2021. We especially welcome new families to join us.

CORPORATE SPONSORSHIP

Please consider approaching your favorite local business, dentist, doctor, etc. with one of our Corporate Sponsorship packets. Every dollar counts this year and corporate giving is down for the year. It costs parents nothing to complete this task and we would be so very thankful to obtain a few additional Corporate Sponsors. Please also reach out if you need any assistance completing forms to secure Corporate Matching dollars through your company. Several band parents have had great success with obtaining matching dollars for their Fair Share payment donations. Remember, the booster club is a 501(c)3 Non-Profit Organization and all donations are tax deductible. Please contact accounts.receivable@cpcb.org if you need a donation receipt. Packets are available for download/printing from our website: <https://cpcb.org/2020-2021-sponsors>
