### DROP-OFF INFORMATION

Please see information in BAND app (2019-20 groups) and over email, regarding how to turn in school issued items from Band; instruments and concert wear. Contact [asktheboosters@cpcb.com](mailto:asktheboosters@cpcb.com) if you have questions about the process.

### DONATED UNIFORM ITEMS

If you have outgrown gently used shoes or blue band shirts, please donate them to the uniform cause! Once allowed back into the Band Hall, deliver to the uniform room in a bag marked "DONATION". Thank you!

### SUMMER PLANS AND BEYOND!

So, what's next?! At this time of year, we like to provide our band families with accurate and thorough calendar information. Please refer to the 2020-21 Band Calendar which has effectively been planned out assuming 'normal' circumstances. (For our new families, all events are mandatory, unless otherwise noted). As always, it's a full calendar of events, but this year, we can't stress enough that it may well be a very fluid situation, particularly this fall. As such, please pay close attention to all updates, be prepared for any changes and ensure that you are on our distribution list and Band App. Adapting to new challenges is what we do best at College Park Band, often at short notice, and in that respect alone this situation is no different. Please know that the safety of students, staff, volunteers and all our band families is our top priority, always.

In the meantime, please remember to ensure students have the basics to be prepared for summer camp and practices;

- Shorts, t-shirts, sunglasses, hat, socks, sneakers (no high tops or hiking boots)
- Small bag with; Sun screen/sun block, bug repellent, snacks, lunch money
- Fanny pack with; smart phone with Band and Ultimate Drill Book (UDB) apps downloaded
- Water jug

### PHYSICAL INFO

Conroe ISD and the UIL have modified the physical requirements for 2020-2021. Incoming 7th graders, new students to CISD, and new participants for Athletics, Color Guard, Marching Band, Cheerleading, Drill Team, and ROTC will need to get a physical for 2020-2021. Unfortunately, this year, it has not been possible for us to coordinate an on-site opportunity to do this, so please plan accordingly. (If a student has a current and completed physical for the 2019-2020 year on file, parents have the option to use their child's physical for the upcoming 2020-2021 year). A CISD Pre-Participation Physical form MUST be submitted prior to the first day of summer camp.

**Everyone must complete the 2020-2021 Pre-Participation Form and Medical History Form online using the "Save & Submit" button.** If you choose to use your child's 2019-2020 physical, please note that family history or other medical conditions may warrant the training staff to request further medical documentation and/or an updated physical.

(There is a You Tube instructional video on this page)

**All paperwork must be submitted online through SportsWare.** This will help expedite the submission process and improve the College Park Sports Medicine Team's communication ability regarding all paperwork. After completing the CISD Pre-Participation Packet and Medical History Questions online, parents will be able to upload doctor notes regarding restrictions, and clearances for the Sports Medicine Team to review. When you submit medical documentation digitally it MUST be in a scanned format (PDF) not a picture of the document (JPEG). If you have created a SportsWare account or updated your profile prior to **May 18th, 2020**, you will have to update the profile again.
